WORK EXPERIENCE

Full Stack Development Intern
NoviTech R&D Pvt Ltd
April 2026 - May 2026 *Pune, India*

- Contributed to the development and enhancement of web-based applications using full stack technologies in a professional, production-oriented environment.
- Built and maintained frontend and backend components, focusing on functional, responsive, and user-oriented web application features.
- Implemented application logic, data handling, and system integration to support efficient end-to-end application functionality.

Customer Support Associate
Tech Mahindra
December 2024 - February 2025 *Pune, India*

- Managed inbound and outbound customer interactions for telecom services, resolving concerns related to billing, plans, network issues, and service quality.
- Improved customer retention by identifying pain points and delivering tailored solutions, reducing service cancellations through effective communication.
- Analyzed customer needs to recommend suitable service plans and upgrades, contributing to retention and revenue targets.
